## The Real Costs of Digital Content

Did you know that there is a huge difference in the amount you pay for an e-book vs. what public libraries pay? And that you get to keep the book but libraries' copies face expiration dates? Many publishers charge libraries three to five times the cost of a print copy and place restrictions on the life of the digital title.

In Suffolk County, libraries contribute to a consortium that purchases ebooks for Overdrive/Libby that are accessible by all library cardholders in the county. This digital collection is **extremely popular**, and it is getting increasingly more **costly** to keep up with demand.

This is why you may have to wait longer for a title to become available.

The New York Library Association (NYLA) supports legislation that would level the playing field. Please contact your state representatives and let them know that libraries need reasonable terms in the industry to ensure that all New Yorkers have access to content that interests them in the format they desire.

For more information, visit NYLA's website at https://www.nyla.org/2025-legislative-initiatives.

## 6. STAFF INFORMATION

All staff questions refer to PAID staff.

Note: Report figures as of the last day of the fiscal year reported in Questions 1.6 and 1.7 in Part 1. Include the FTE for all positions funded in the library's budget whether those positions are filled or not. This report requires conversion of part–time hours to full–time equivalents (FTE). To compute the FTE of employees in any category, take the total number of hours worked per week for all budgeted positions in that category and divide that total by the number of hours per week the library considers to be full–time. Report the FTE to two decimal places.

Use this section to enter outlet information on main libraries, branches or bookmobiles. Complete one record for each main library, branch or bookmobile.

**NEW OUTLETS**: If a new outlet was open in the reporting year for any amount of time, it must be entered here. For locked fields, use the note to input information; enter *New* in the note for Question 40.

**CLOSED OUTLETS**: Even if an outlet was closed for the entire year it still must be reported and not simply left out of reporting. In these cases, enter either *Closed, will reopen or Closed permanently* in the note for Question 40. Permanently closed outlets will be removed and not appear in subsequent reports.

If you have multiple libraries, you may 1) enter the data for the Service Outlet Information section directly into the survey as usual or 2) send Baker and Taylor the data for this section to be uploaded into CollectConnect. If you choose to send your data for uploading, you will enter the data into the spreadsheet form available in the survey by clicking a link to an Excel sheet listing prior year outlets is located in section 9. Complete this form and email it to collectconnect@baker-taylor.com and your data will be uploaded into CollectConnect within 24 hours. The data will be loaded in the same order in which it appears in your file, so libraries should be in the correct order on the spreadsheet.

Outlet fields 5-6, 11-14, and 20-23 should be locked.

## Report for the Board of Trustees February 18, 2025

#### Communications

Annual Statistical Report (Exhibit).

### **Policy of the Month**

New: Internet Safety Policy (Exhibit). Much of this policy is reflected elsewhere, but SCLS files for our E-rate refund and they *strongly* recommended that we have a separate Internet Safety Policy.

Remove: 3-D printer policy. Constant failures of the nozzle (\$250 each). Very limited practicality. No one tried to print a gun. It was "not quite ready for prime time."

#### **Personnel**

Retirement incentive: Eligibility: full time, age 55 minimum, 15 years at NBPL, directly into retirement. We will have to arrive at a number to go forward.

You kindly sent flowers on the passing of Custodian Jim' mother.

### **Buildings and Grounds/Expansion Update**

EV charger update: Parts are in storage on site. We will contract with a provider for billing beyond the one hour courtesy.

Since the custodian has been out (mom ill/passed, plans for Disney President's week), I was unable to get to Albany for Library Legislation Day and it looks like 6 AM arrivals for the foreseeable future to accommodate construction. No President's Day construction.

60% of the flooring installed. They do not want to install the balance – if the lift hardware can be installed at some point, the heavy hardware will be detrimental to the installed carpet tiles. We have a roll of walk off matting for temporary use.

The tin can office trailer is powered via a cable on the fence (an electrified fence?) that will be the limiting factor to using the doors. Once the main doors are received (shipped 12/5/24!) and installed, I would expect the trailer to be out of here.

### **Security and Vandalism**

Knock on wood.

#### **Public Relations**

We all can't wait to access the rear doors. Patrons too.

#### **Requests for Purchase**

None at this time

## **Unmet Needs**

Director's Porsche.

## **Trustee Training**

March 24, 6:00 at Copiague Memorial Library. Maybe.

## Other Items of Interest

We order a lot of supplies from Oriental Trading (I really hate that company! Check "Undercover Boss"). I anticipate tariffs.

Respectfully submitted,

Marc D. Horowitz

## **Reference Department January 2025 Report**

The number of patrons getting Senior ID cards from the Suffolk County Department of Aging really took off this month. Since the program started in September of 2024, we have mainly had a monthly count in the teens. In January, 29 people received a card, good for bus fare, ferry discounts, keeping medical information handy and for showing to various businesses throughout the county for senior discounts. The crafts classes are as popular as ever, and the painting this month was particularly beautiful - cardinals in a birch tree, as was the ceramic, which was a jaunty stack of snowman heads. Yoga classes are also seeing steady attendance, and seem to pick up when the weather is on the warmer side. Patrick Stay, who is with the Department of Labor, is now scheduled to come monthly, and he gets a good amount of traffic at his table. We ran a class for Mahjongg this month and the patrons are enjoying it. Some have requested more classes in the future.

The teens did multiple community service programs such as Chess Buddies, Teen Street Smarts and Craft Buddies. They also earned community service for the Tiny Art program. The art can be viewed in the first glass display case in the lobby. The tween (grades 4-8) Ceramic Corgi program was also very well attended this month.

There were 11 log ins for our 100 Books before Graduation Program. Our YouTube channel is growing and this month received 309 views which brings our total subscribers to 52. Our patrons continue to be very generous to the food pantry. We had 64 items of food donated by our teen community for service credit. Overdrive seems to have finally turned off the Sora connection. Laurel updated the flyers for Board Games in the Library and Where to find Tax assistance. Katrina and Kirsten weeded and shifted the dvd's. Katrina, Kirsten and I weeded and shifted the mystery books to make space for a support beam in the mystery section. Katrina finished up her contributions to the 2026 CSLP Teen Summer Reading Manual this month. She contributed a teen program to the Manual. James and I are continuing to test the new calendar and museum pass products. We are experiencing some issues with the registration mode. Unfortunately the issue was not visible until we actually started uploading our events. James continues to contact the company with questions. There is also an issue with physical museum passes being used with the museum passes software. It currently only supports digital passes which was not explained before we

•

purchased the product. We currently have physical passes for the 9/11 Museum, Cold Spring Harbor Fish Hatchery, NYS Empire Pass and the Town of Babylon Beach passes.

This month Katrina also participated in the Mock Printz workshop through SCLS and was the Suffolk County discussion leader for two of the books. I attended the Head of Reference meeting at SCLS.

Adult displays included New Movies for the New Year (New DVD Display) and New Year, New Books! (New Book Display). The Teen book display is "Start a new manga this year!" and features the first books in manga series.

Respectfully submitted,

Maureen Nicolazzi
